\* Due to the close geographic proximity of the meeting places of the Blue Ridge Woodturners and Smith Mountain Lake Woodturners, both clubs agreed several years ago that it would be beneficial to extend the option of being an Associate Member of the other club at a nominal cost of only \$10.00. To do so one has to be a member in good standing (annual dues paid in full at their primary club) and pay an additional \$10.00 to be an Associate Member in the other club. As an Associate Member one has all the privileges of a primary member (attend all meetings and events, make purchases at the club's store, etc.) with the one exception of not being able to vote in elections for club officers.

Due to Covid-19 precautions, please pay by mail. To do so please download and print this form, fill it out **neatly and completely** and mail it along with your check payable to "Blue Ridge Woodturners" in the amount of the total dues you are paying. Please mail completed form and check to:
